Of membrane installation technology

Letter of recommendation

I'm very pleased to recommend Arkadiusz Brzeziński for the position: technical supervisor site manager of installation of PTFE, PVC and ETFE roof membranes. I've cooperated alongside Arkadiusz for many projects including:

- City Stadium, Gdynia, Poland in 2010 (General Contractor Taiyo Europe GmbH, material PTFE roof, 8.500 m<sup>2</sup>)
- Stadionul Ilie Oana, Ploesti, Romania in 2011 (General Contractor Taiyo Europe GmbH, Steel material PTFE facade PTFE roof, 15 470 m<sup>2</sup>)
- Main-Thaus-Zentrum, Sulzbach, Germany in 2011 (General Contractor Taiyo Europe GmbH, material PTFE umbrellas)
- Forest Opera, Sopot, Poland in 2012 (General Contractor Taiyo Europe GmbH, material Steel Cables, PTFE roof, PVC roof, 5.250 m<sup>2</sup>)
- Aquadrom, Ruda Śląska, Poland in 2012 (General Contractor Taiyo Europe GmbH, material ETFE cushions)

Arkadiusz skills and leadership qualities would make him an invaluable addition to provide any supervising of membrane installation technology.

Arkadiusz can plan and create membrane installation technology. He uses his knowledge of installation technology with the highest standards required in the membrane industry. Arkadiusz is a flexible person, what give him skills to resolve any problems which may occur during installation of the membranes.

In addition to his professional qualifications, Arkadiusz has personal qualities that make him well-suited to leadership. He's naturally fallen in to the role of "point person", that many of us go to with questions. He's not afraid to take risk and often suggest new ideas for membrane installations. He's committed to quality, growth and progress, and he inspires his team members to strive for the same. In short, Arkadiusz is a person with a skill of looking forward in planning next steps of installation.

Arkadiusz has my highest recommendation for the position of membrane installation supervisor. Please feel free to contact me for any further information.
